

14th International Conference **iNATCONPH 2024**

International Conference on
Pharmacy & Healthcare
NATCONPH 2024

Theme:

***NAVIGATING THE FUTURE OF HEALTHCARE:
Trends, Challenges and Innovations***

Organised by
NSHM Institute of Health Sciences, Kolkata

"Grab the chance to participate in an Insightful International Conference"

International Conference on
Pharmacy & Healthcare
NATCONPH 2024

PURPOSE OF THE CONFERENCE

The overarching goal of this conference **iNATCONPH 2024** is to enhance the conceptual and theoretical advancements in health sciences and related field on a global scale. At the heart of **iNATCONPH 2024** is the ambitious mission to synchronize efforts towards this goal, while bringing industry professionals, experts, academicians, and scholars under one roof to discuss their expertise for better collaboration in the field.

iNATCONPH 2024 is committed to disseminate research advancements across diverse audiences via publications, promoting it through networks and marketing channels. Let this conference ignite inspiration and aspirations, nurturing fresh ideas, and fostering persistent connections, in order to have a comprehensive understanding of the future of healthcare. Join us at **iNATCONPH 2024** to navigate the future of healthcare, while learning, sharing, collaborating and ultimately contributing to the advancement of global health and well-being!

ABOUT THE CONFERENCE

Since the past decade, the focus on Health and Allied Sciences has shifted into a wider spectrum, amalgamating interdisciplinary fields, in the never ending quest for new life-saving and life-giving products. Welcoming experts in multiple health related domain to present their unique experiences through speeches and presentations, **iNATCONPH 2024** is being organized for the students, researchers, scientists, academicians, industry personnel and healthcare practitioners to assemble under one roof while discussing, learning, evolving, and sharing their perception, experience and ideas on the various advancement that best reflect today's cutting edge research and tomorrow's emerging technologies and developments.

HIGHLIGHTS OF THE CONFERENCE

iNATCONPH 2024, the annual Conference of the institute aims to serve as a robust platform where eminent speakers from academics, industry and research will deliver keynote lectures to share innovative ideas and world class experiences enthusing young and passionate learners. The interactive sessions to follow in the various healthcare disciplines like Pharmacy, Psychology, Optometry, Yoga, Public Health, Dietetics and Nutrition, will benefit the participants, generate awareness about recent updates on cutting edge research and improvements of tomorrow. Panel discussions from notable professionals will also focus on challenges and opportunities in relevant sectors to bring forth openings in research and modernization, navigating several unexplored avenues to foster the interface between industry and academia. The buzz words echoing in this upcoming Conference will hopefully be **perceive, conceive, believe and achieve!**
